Dark & Light Mode

Choose how you view your app—light for clarity in bright spaces, or dark for comfort in low light

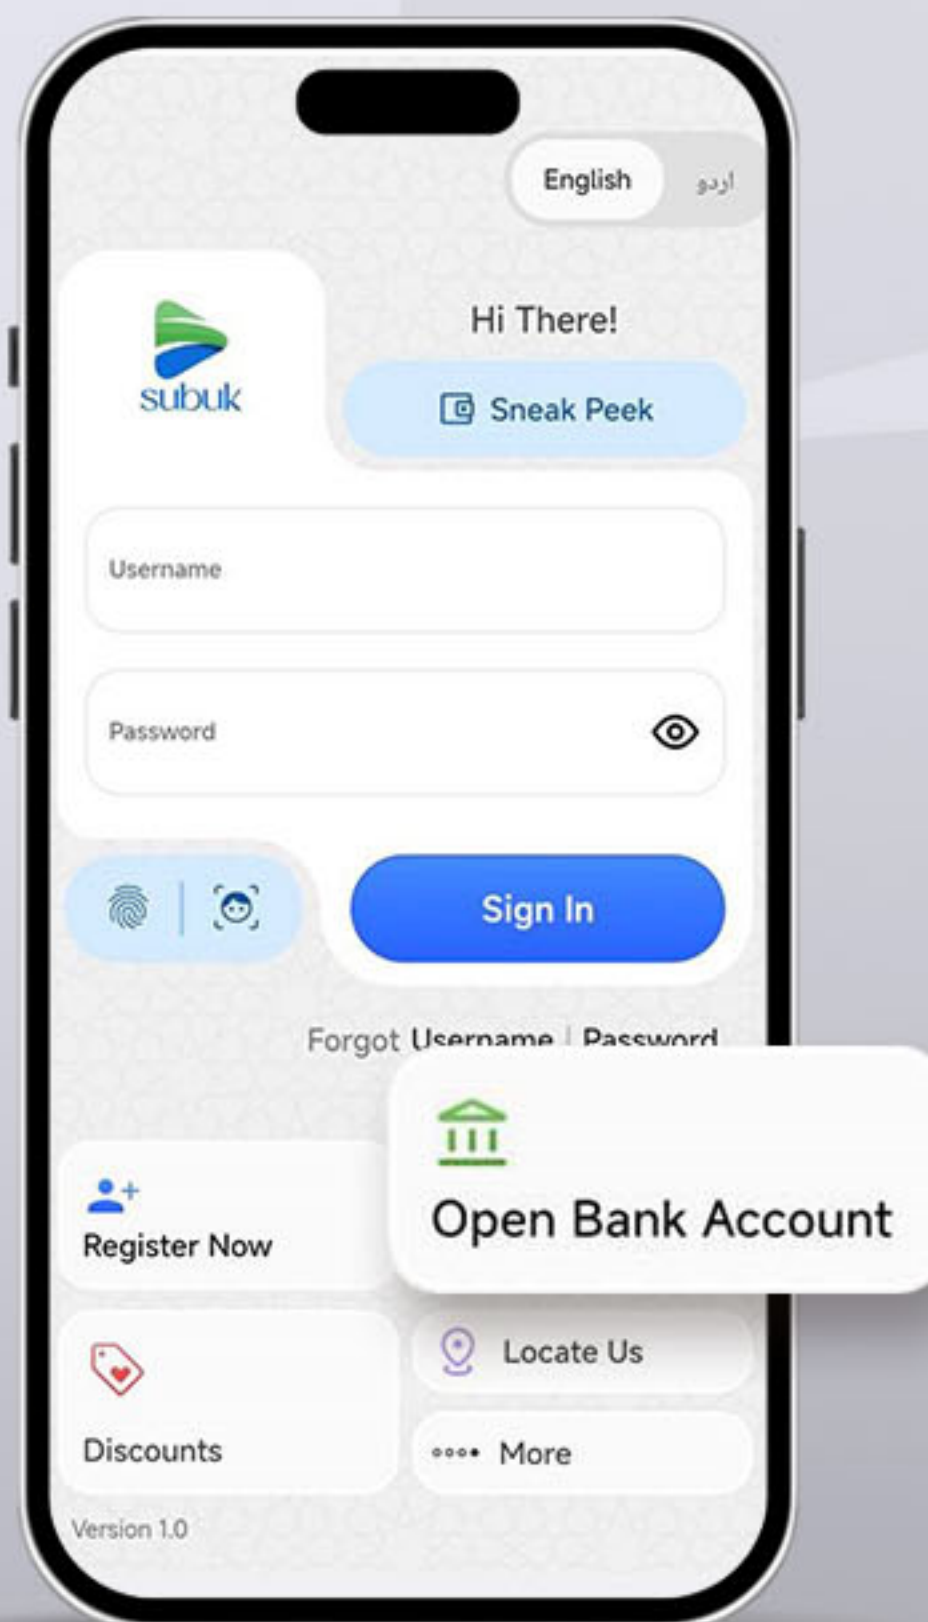

This feature not only personalizes your experience but also supports accessibility by reducing eye strain and improving readability for users with visual sensitivities

A detailed illustration of a smartphone displaying a digital wallet application. The screen shows a user profile for 'Haseeb Akhtar' with a balance of 'Current 150**001'. Below this, a transaction of '39,000.00' is visible. The interface includes buttons for 'Send Money', 'Account Statement', 'Pay Bills', 'Investments', 'Discount Hub', and 'ZAKAT'. Surrounding the phone are several floating icons: a money bag with 'Rs', a shield with a lock, a circular arrow with 'Rs', a credit card, a hand holding a heart, a tag with a heart, and a ZAKAT icon. The background is a soft, light blue gradient.

Customer Support
